

Adult Day Care Centers, 22VAC40-61 Crosswalk between 22VAC40-60 and 22VAC40-61
New regulation, effective 12/29/19

| Current Regulation | Revised Regulation | What changed? |
|--|---|--|
| 22VAC40-60-10. Definitions. | 22VAC40-61-10. Definitions | |
| The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise: | The following words and terms, when used in this chapter, shall have the following meanings, unless the context clearly indicates otherwise: | No change. |
| | "Activities of daily living" or "ADLs" means bathing, dressing, toileting, transferring, bowel control, bladder control, eating, and feeding. A person's degree of independence in performing these activities is a part of determining required care needs and necessary services. | New definition added. |
| "Administer medication" means to open a container of medicine or to remove the prescribed dosage and to give it to the participant for whom it is prescribed. Section 54.1-3408 of the Code of Virginia states that only persons authorized by state law may administer drugs. People authorized to administer medication include licensed physicians, registered nurses, licensed practical nurses, physician assistants, and other individuals who meet the requirements of the law. In addition to these persons designated by law, a person may administer medications who has satisfactorily completed a training program for this purpose approved by the Board of Nursing and who administers such drugs in accordance with a physician's instructions pertaining to dosage, frequency, and manner of administration, and in accordance with regulations promulgated by the Board of Pharmacy relating to security and recordkeeping, when the drugs administered would be normally self-administered by a program participant in an adult day care center licensed by the Department of Social Services. | "Administer medication" means to open a container of medicine or to remove the ordered dosage and to give it to the participant for whom it is ordered in such a manner as is ordered or is appropriate. | Removed Section 54.1-3408 of the Code from the definitions section |

New regulation, effective 12/29/19

| | | |
|---|---|---------------------|
| | "Chemical restraint" means a psychopharmacologic drug that is used for discipline or convenience and not required to treat the participant's medical symptoms or symptoms from mental illness or intellectual disability and that prohibits an individual from reaching his highest level of functioning. | New definition |
| "Commissioner" means the Commissioner of Social Services, also known as the Director of the Virginia Department of Social Services. | | Definition removed. |
| "Communicable disease" means a disease that may be transmitted directly or indirectly from one individual to another. | Communicable disease means an illness that spreads from one person to another or from an animal to a person. | Revised definition. |
| "Contrast" means a significant difference in diversity of adjacent parts by color, tone, or light. | | Definition removed. |
| | "CPR" means cardiopulmonary resuscitation. | New definition. |
| "Department" means the Virginia Department of Social Services. | "Department" means the Virginia Department of Social Services. | No change. |
| "Department's representative" means an employee or designee of the Virginia Department of Social Services who is acting as the authorized agent of the Commissioner of Social Services. | | Definition removed. |
| | "Dietary supplement" means a product intended for ingestion that supplements the diet, is labeled as a dietary supplement, is not represented as a sole item of a meal or diet, and contains a dietary ingredient, for example, vitamins, minerals, amino acid, herbs or other botanicals, dietary substances (such as enzymes), and concentrates, metabolites, constituents, extracts, or combinations of the preceding types of ingredients. "Dietary supplements" may be found in many forms, such as tablets, capsules, liquids, or bars. | New definition. |

Adult Day Care Centers, 22VAC40-61 Crosswalk between 22VAC40-60 and 22VAC40-61
New regulation, effective 12/29/19

| | | |
|--|---|--|
| "Direct care staff" means the staff in an adult day care center who are actively providing care, guidance, and interaction with participants. | "Direct care staff" means supervisors, assistants, aides, or other staff of a center who assist participants in the performance of personal care or ADLs. | Replaced direct care staff means the staff in an adult day care center who are actively providing care, guidance, and interaction with participants. |
| "Director" means the person who has been delegated responsibility for the programmatic and administrative functions of the adult day care program. | "Director" means the qualified person who has been delegated responsibility for the programmatic and administrative functions of the adult day care center. | Added the word "qualified" to existing definition |
| "Disabled" means the inability to perform some or all of the activities and tasks of daily living due to physical or mental impairments or injuries. | | Definition removed. |
| | "Electronic record" means a record created, generated, sent, communicated, received, or stored by electronic means. | New definition |
| | "Electronic signature" means an electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record. | New definition |
| | "Good character and reputation" means findings have been established that the individual (i) maintains business or professional and community relationships that are characterized by honesty, fairness, truthfulness, and dependability and (ii) has a history or pattern of behavior that demonstrates the individual is suitable and able to administer a program for the care, supervision, and protection of adults. | Replaced 'character and reputation' definition. |
| "Infirm" means the inability to perform some or all of the activities and tasks of daily living because of weakness or illness. | | Definition removed. |

| | | |
|---|--|---|
| <p>“Legal guardian” means an individual who has legal control and management of the person, or the property, or of both the person and the property of the participant. A legal guardian is appointed by a court. A legal guardian of the person is appointed to see that the participant has proper care and supervision in keeping with his needs. A legal guardian of the property is appointed to manage the financial affairs in the best interest of the participant.</p> | | <p>Definition removed and replaced with ‘Legal Representative’.</p> |
|---|--|---|

Adult Day Care Centers, 22VAC40-61 Crosswalk between 22VAC40-60 and 22VAC40-61
New regulation, effective 12/29/19

| | | |
|---|---|---|
| | <p>"Legal representative" means a person legally responsible for representing or standing in the place of the participant for the conduct of his affairs. "Legal representative" may include a guardian, conservator, attorney-in-fact under durable power of attorney, trustee, or other person expressly named by a court of competent jurisdiction or the participant as his agent in a legal document that specifies the scope of the representative's authority to act. A legal representative may only represent or stand in the place of a participant for the function or functions for which he has legal authority to act. A participant is presumed competent and is responsible for making all health care, personal care, financial, and other personal decisions that affect his life unless a representative with legal authority has been appointed by a court of competent jurisdiction or has been appointed by the participant in a properly executed and signed document. A participant may have different legal representatives for different functions. For any given standard, the term "legal representative" applies solely to the legal representative with the authority to act in regard to the function or functions relevant to that particular standard.</p> | <p>New definition. Replaces 'Legal Guardian'.</p> |
| <p>"Licensee" means any person, association, partnership, corporation or governmental unit to whom the license is issued.</p> | <p>"Licensee" means the business entity to whom a license is issued and who is legally responsible for compliance with the laws and regulations related to the center. A license may not be issued in the name of more than one business entity.</p> | <p>Revised definition</p> |

New regulation, effective 12/29/19

| | | |
|---|---|---|
| "Licensed health care professional" means any health care professional currently licensed by the Commonwealth of Virginia to practice within the scope of his profession, such as a clinical social worker, dentist, licensed practical nurse, nurse practitioner, pharmacist, physical therapist, physician, physician assistant, psychologist, registered nurse, and speech-language pathologist. | "Licensed health care professional" means any health care professional currently licensed by the Commonwealth of Virginia to practice within the scope of his profession, such as a nurse practitioner, registered nurse, licensed practical nurse (nurses may be licensed or hold multistate licensure pursuant to § 54.1-3000 of the Code of Virginia), clinical social worker, dentist, occupational therapist, pharmacist, physical therapist, physician, physician assistant, psychologist, and speech-language pathologist. Responsibilities of physicians referenced in this chapter may be implemented by nurse practitioners or physician assistants in accordance with their protocols or practice agreements with their supervising physicians and in accordance with the law. | Expanded the definition of licensed health care professional in Chapter 60. |
| "Licensed practical nurse" means any individual who holds a current, valid, license from the Commonwealth of Virginia as an L.P.N. | | Definition removed. |
| | "Mandated reporter" means a person specified in § 63.2-1606 of the Code of Virginia who is required to report matters giving reason to suspect abuse, neglect, or exploitation of an adult. | New definition. |
| | "Mental impairment" means a disability characterized by the display of an intellectual defect, as manifested by diminished cognitive, interpersonal, social, and vocational effectiveness that reduces an individual's ability to reason logically, make appropriate decisions, or engage in purposeful behavior. | New definition |

Adult Day Care Centers, 22VAC40-61 Crosswalk between 22VAC40-60 and 22VAC40-61
New regulation, effective 12/29/19

| | | |
|---|--|--|
| "Nonambulatory" means the condition of a participant of an adult day care center who by reason of physical or mental impairment is not capable of self-preservation by evacuating in response to an emergency to a refuge area as defined by the Uniform Statewide Building Code without the assistance of another person, or from the structure itself without the assistance of another person if there is no such safe refuge area within the structure. | "Nonambulatory" means the condition of a participant who by reason of physical or mental impairment is not capable of self-preservation without the assistance of another person. | Revised definition. |
| "Nurse" means any individual who holds a current, valid license from the Commonwealth of Virginia as a licensed practical nurse or as a registered nurse. | | Definition removed. |
| "Participant" means an aged, infirm or disabled adult who takes part in the program of care and receives services from the center. | "Participant" means an adult who takes part in the program of care and receives services from the center | Revised definition to delete "aged, infirm, or disabled" |
| "Personal representative" means the person representing or standing in the place of the resident for the conduct of his affairs. This may include a guardian, committee, attorney-in-fact under the durable power of attorney, next of kin, descendent, trustee, or other person expressly named by the participant as his agent. | | Definition removed. |
| | "Physical restraint" means any manual method or physical or mechanical device, material, or equipment attached or adjacent to the participant's body that the participant cannot remove easily, which restricts freedom of movement or access to his body. | New definition |
| "Physician" means any individual licensed to practice medicine in any of the 50 states or the District of Columbia. | "Physician" means an individual licensed to practice medicine or osteopathic medicine in any of the 50 states or the District of Columbia | Added "or osteopathic medicine" |

New regulation, effective 12/29/19

| | | |
|---|---|---------------------|
| "Program director" means the person responsible for programmatic functions and supervision of all staff who work directly with participants. | | Definition removed. |
| "Protection" means the intent to prevent harm and to provide oversight of the participant. | | Definition removed. |
| | "Qualified" means having appropriate training and experience commensurate with assigned responsibilities, or if referring to a professional, possessing an appropriate degree or having documented equivalent education, training, or experience. | New definition. |
| "Registered nurse" means any individual who holds a current, valid license from the Commonwealth of Virginia as an R.N. | | Definition removed. |
| "Respite care" means temporary care given to a person to relieve family members or other caregivers. These standards apply only if respite care is provided during part of the day. If 24-hour respite care is planned or provided for four or more people, the Standards for Licensed Assisted Living Facilities (22VAC40-72) shall apply. | | Definition removed. |
| | "Significant change" means a change in a participant's condition that is expected to last longer than 30 days. "Significant change" does not include short-term changes that resolve with or without intervention, a short-term acute illness or episodic event, or a well-established, predictive, cyclic pattern of clinical signs and symptoms associated with a previously diagnosed condition where an appropriate course of treatment is in progress. | New definition. |
| "Snack" means a light meal or nutritious meal supplement. | | Definition removed. |

| | | |
|---|---|---------------------|
| "Sponsor" means an individual, partnership, association, or corporation responsible for the operation of an adult day care center subject to licensure. | | Definition removed. |
| "Staff or staff person" means compensated administrative, program, and service personnel including the licensee when the licensee is an individual. | "Staff" or "staff person" means personnel working at a center who are compensated or have a financial interest in the center, regardless of role, service, age, function, or duration of employment at the center. "Staff" or "staff person" also includes those individuals hired through a contract with the center to provide services for the center. | Revised definition. |
| "Standard precautions" means an approach to infection control. According to the concept of standard precautions, all human blood and certain human body fluids are treated as if known to be infectious for human immunodeficiency virus (HIV), hepatitis B virus, and other blood borne pathogens. | "Standard precautions" means a set of basic infection prevention practices intended to prevent transmission of infectious diseases from one person to another. These practices are applied to every person at every contact to assure that transmission of disease does not occur. | Revised definition. |
| "Supplementary care" means a part of the total care that is required by participants. Supplementary care augments the care that the family or other persons provide. Care provided by an adult day care center is supplementary care. | | Definition removed. |
| "Supervision" means the general oversight of the physical and mental well-being of participants. | | Definition removed. |
| "These standards" means the requirements in this chapter, 22VAC40-60, Standards and Regulations for Licensed Adult Day Care Centers. | | Definition removed. |

| B. When center staff identify the need for additional health care services or referral to other providers, this need shall be discussed with the participant, family members, or personal representative, as appropriate. The discussion shall be documented in the participant's record and included in the update of the plan of care. | E. When the center identifies a need for a change in health care services, this shall be discussed with the participant, family, legal representative, physician, or others as appropriate and documented in the participant's record. The care plan shall be updated if necessary. | Technical edits. |
| C. In the event the center provides skilled health care services to meet the needs of the participant, the provider of health care shall be licensed, certified or registered as required by law. | F. If the participant requires skilled or rehabilitative services, the center shall assist the participant and family in securing such services if necessary. | Requires ADCC to assist in securing services for skilled or rehabilitative services. |
| D. Facilities shall arrange for specialized rehabilitative services by qualified personnel as needed by the participant. Rehabilitative services include physical therapy, occupational therapy and speech-language pathology services. Rehabilitative services may be indicated when the participant has lost or has shown a change in his ability to respond or to perform a given task and requires professional rehabilitative services in an effort to regain lost function. Rehabilitative services may also be indicated to evaluate the appropriateness and individual response to use of assistive technology. | | Language removed. |
| E. All rehabilitative services rendered by a rehabilitative professional shall be performed only upon written medical referral by a physician or other health care professional. | G. If skilled health care and rehabilitative services are provided at the center, the center shall ensure that such providers are licensed, certified, or registered as required by law. These services shall be provided in accordance with the physician or other health care professional's order. | Technical edit. |

New regulation, effective 12/29/19

| 22VAC40-60-697. Preventing the spread of disease. | | |
|--|--|--|
| A. If a participant arrives at the center with the signs and symptoms listed in subsection B of this section, the participant shall not be allowed to attend until the symptoms no longer exist. | | General requirements for infection prevention and occupational health program; infection prevention policies and procedures; and "Parameters for ensuring that staff, volunteers, and participants with communicable disease or infections are prohibited from direct contact with others if contact may transmit disease, in accordance with applicable local, state, and federal regulations" in 22VAC40-61-290. |
| B. The participant shall be excluded if he has: | | |
| 1. A temperature over 100° F; | | |
| 2. Recurrent vomiting or diarrhea; | | |
| 3. An upper respiratory infection; or | | |
| 4. Any other communicable disease. | | |
| C. If a participant develops signs or symptoms listed in subsection B of this section during the day, the following shall apply: | | |
| 1. He shall be separated from all other participants in care; | | |
| 2. The appropriate family member or personal representative shall be notified immediately in order to make arrangements for the participant to leave the center as soon as possible; | | |
| 3. The ill participant shall be checked every 15 minutes, or more often if circumstances indicate, until he leaves the center; and | | |
| 4. The details of the illness and action taken shall be documented in the participant's record. | | |
| D. When a participant at the center has been exposed to a communicable disease, the family or personal representative shall be informed unless forbidden by law. | | |

New regulation, effective 12/29/19

| | | |
|---|--|---|
| d. Appropriate adapted utensils, including adapted plates/bowls and cups with straws and handles, shall be provided for those participants who need them. Information about effective eating adaptations shall be shared with appropriate family care givers of those participants. Assistance shall be provided to those participants who need it with such activities as opening containers and cutting food. | 4. Appropriate adapted utensils, including adapted plates, bowls, and cups with straws and handles, shall be utilized for those participants who need them. Information about effective eating adaptations shall be shared with the participant and his family. Assistance such as, but not limited to, opening containers and cutting food shall be provided to those participants who need it. | No change in requirement. |
| e. Low-stimulus dining areas shall be provided for participants with head injuries or other conditions that impair concentration. | 5. Low-stimulus dining areas shall be provided for participants with cognitive deficits or other conditions that impair concentration. | No change. |
| f. Changes in food and liquid intake shall be documented and changes made in the care plan to ensure adequate intake. Families shall be notified of such changes. | 6. Changes in food and liquid intake shall be documented in the participant's record, and changes shall be made to the care plan to ensure adequate intake. The participant and his family shall be notified of such changes. | Adds requirement for change in food and liquid intake to be documented in the participant's record. Adds requirement for participant to be notified of changes. |
| 2. Assistance with ambulation/transfer. | D. Assistance with ambulation and transfer. | No change. |
| a. The ability of the participant to safely transfer and ambulate shall be continually monitored, changes documented, and the plan of care changed to maximize the participant's safety. | 1. The ability of the participant to safely transfer and ambulate shall be continually monitored. Any changes shall be documented in the participant's record and noted on the plan of care. | Technical edits. No change in requirement. |
| b. There shall be adequate staff to provide individualized assistance to get to activities, meals and the restroom if the center serves participants with transfer/ambulation deficits. | 2. There shall be adequate staff to provide individualized assistance to participants to ambulate to activities, meals, and the restroom and transfer, if such assistance is needed. | No change. |
| c. The center shall have at least one wheelchair available for emergency use, even if all participants are ambulatory or have their own wheelchairs. | 3. The center shall have at least one wheelchair available for emergency use, even if all participants are ambulatory or have their own wheelchairs. | |

New regulation, effective 12/29/19

| | 22VAC40-61-510. Emergency preparedness and response plan. Includes provisions from 22VAC40-60-1020. Plan for Emergencies. | |
|--|--|-------------------|
| | A. The center shall develop an emergency preparedness and response plan that shall address: | New requirements. |
| | 1. Documentation of initial and annual contact with the local emergency coordinator to determine (i) local disaster risks, (ii) community wide plans to address different disasters and emergency situations, and (iii) assistance, if any, that the local emergency management office will provide to the center in an emergency. | |
| | 2. Analysis of the center's potential hazards, including severe weather, biohazard events, fire, loss of utilities, flooding, work place violence or terrorism, severe injuries, or other emergencies that would disrupt normal operation of the center. | |
| | 3. Emergency management policies and procedures for the provision of: | |
| | a. Administrative direction and management of response activities; | |
| | b. Coordination of logistics during the emergency; | |
| | c. Communications; | |
| | d. Life safety of participants, staff, volunteers, and visitors; | |
| | e. Property protection; | |
| | f. Continued services to participants; | |
| | g. Community resource accessibility; and | |
| | h. Recovery and restoration. | |

New regulation, effective 12/29/19

| | | |
|--|---|--|
| | 4. Emergency response procedures for assessing the situation; protecting participants, staff, volunteers, visitors, equipment, medications, and vital records; and restoring services. Emergency response procedures shall address: | |
| | a. Alerting emergency personnel and center staff; | |
| | b. Warning and notification of participants, including sounding of alarms when appropriate; | |
| | c. Providing emergency access to secure areas and opening locked doors; | |
| | d. Conducting evacuations and sheltering in place, as appropriate, and accounting for all participants; | |
| | e. Locating and shutting off utilities when necessary; | |
| | f. Maintaining and operating emergency equipment effectively and safely; | |
| | g. Communicating with staff and community emergency responders during the emergency; | |
| | h. Conducting relocations to emergency shelters or alternative sites when necessary and accounting for all participants; and | |
| | i. Strategies for reunification of participants with their family or legal representative. | |
| | 5. Supporting documents that would be needed in an emergency, including emergency call lists, building and site maps necessary to shut off utilities, and as applicable, memoranda of understanding with relocation sites and list of major resources such as suppliers of emergency equipment. | |

New regulation, effective 12/29/19

| | | |
|--|--|--|
| | B. Staff and volunteers shall be knowledgeable in and prepared to implement the emergency preparedness plan in the event of an emergency. | |
| | C. The center shall develop and implement an orientation and semi-annual review on the emergency preparedness and response plan for all staff, participants, and volunteers with emphasis placed on an individual's respective responsibilities, except that for participants, the orientation and review may be limited to only subdivisions 1 and 2 of this subsection. The review shall be documented by signing and dating. The orientation and review shall cover responsibilities for: | |
| | 1. Alerting emergency personnel and sounding alarms; | |
| | 2. Implementing evacuation, shelter in place, and relocation procedures; | |
| | 3. Using, maintaining, and operating emergency equipment; | |
| | 4. Accessing emergency medical information, equipment, and medications for participants; | |
| | 5. Locating and shutting off utilities; and | |
| | 6. Utilizing community support services. | |
| | D. The center shall review the emergency preparedness and response plan annually or more often as needed, document the review by signing and dating the plan, and make necessary revisions. Such revisions shall be communicated to staff, participants, and volunteers and incorporated into the orientation and semi-annual review. | |

New regulation, effective 12/29/19

| | | |
|--|---|--|
| 2. A specific plan shall be developed for handling mental health emergencies such as, but not limited to, catastrophic reaction or the need for a temporary detention order. | 2. Procedures for handling mental health emergencies such as, but not limited to, catastrophic reaction or the need for a temporary detention order. | Technical edit. |
| 3. Pertinent medical information and history shall be made available to the rescue squad or sent with the participant if hospitalized, or both. This should include any advance directive information. | 3. Procedures for making pertinent medical information and history available to the rescue squad and hospital, including a copy of the current medical administration record, advance directives, and Do Not Resuscitate Orders. | Adds requirement to include MAR and DNR information in information provided to rescue squad or hospital. |
| | 4. Procedures to be followed in the event that a participant is missing, including (i) involvement of center staff, appropriate law-enforcement agency, and others as needed; (ii) areas to be searched; (iii) expectations upon locating the participant such as medical attention; and (iv) documentation of the event. | New requirement. |
| | 5. Procedures to be followed in the event of a vehicle emergency to include notifying the center or emergency personnel, telephone numbers for vehicle repair, and options for alternate transportation. Procedures to be followed in the event that a participant's scheduled transportation does not arrive or the participant is stranded at the center shall also be developed. The center shall ensure that these procedures are in place for transportation provided by both the center and contracted services if appropriate. | New requirement. |
| 4. The participant's family or personal representative and physician shall be notified as soon as possible. | 6. Procedures for notifying the participant's family, and legal representative. | Adds requirement procedures to notify family or legal representative. |
| | 7. Procedures for notifying the regional licensing office as specified in 22VAC40-61-90. | New requirement. |
